## STEWART HEALTH CENTER

Providing superior 24-hour care and comfort right on The Cypress campus, The Stewart Health Center is our on-site Medicare-certified complex that offers Assisted Living, Memory Care, and Skilled Nursing Care in a licensed, 79-bed, fully staffed facility. Each Member of The Cypress is entitled to 90 days of residency at no additional daily rate. After 90 “free” days, the Member Rate is significantly reduced from comparable facilities’ rates for as long as the Member needs healthcare.

The Stewart Health Center offers rehabilitative and respite services for Members, satisfying for short-term and long-term needs. With an unparalleled high staff-to-patient ratio, more time and attention is devoted to residents by a collaborative team of medical experts including: a Medical Director Physician, Registered Nurses, Certified Nursing Assistants, Recreation Specialists, a Full-Time Dietician and Social Worker. As well as other specialists from a Geriatric Psychiatrist, Podiatrist, Dentist and Physical, Occupational and Speech Therapists.

Having an entire wing reserved for Alzheimer’s and Dementia care, offers an outstanding caliber of dedication to progressive long-term care programs.

The option for mostly private- and a few shared-room suites delivers a unique level of personalized care that Cypress Members can expect. Combined with impeccable dining, stimulating fitness programs and community events, The Stewart Health Center is the rival of most senior healthcare centers in the Charlotte area. When you are well, the convenience of a top-rated health center is the least of your concern, but (when needed) it is the core of your care plan as a Cypress Member. That is our community commitment to you.

A significant expansion of The Stewart Health Center was just completed. Some of the highlights include private rooms arranged in residential neighborhoods, and a state-of-the-art physical therapy room.
